Passes are in my possession. Passes will also be available digitally on phones. Players receiving a red card will be documented on app. App is to be used by coaches and refs. The SI Play app has the digital passes on it already for coaches viewing. Passes may not be available once you are logged in. May take time for passes to download. Please send requests for soccer practice at Kolm. Walker is not really available because of football save for a few specific times. If people on field won't leave you can call public safety.

Registrars Report: Lou Deturris

55 total registered for intramural. School starting next week. Flyers will be printed and sent to schools. Welcome emails for new registrants will be sent. Costs for registration dropped for teams due to the fact that coaches will be paying refs directly.

Intramural Director's Report: Andy Spathis

Intramurals start 9/11. New uniforms and balls are in. Dates for uniform pickup will be decided shortly. Teams will follow LIJ schedule. Intramurals will be run for 8 weeks.

Mike Luongo has stepped down. We would like to thank Mike for all his hard work. I am stepping into that role. (raucous applause)

Nets need to be replaced at Kolm.

Check from Chevrolet should be arriving. They have also sent us a ton of equipment. The equipment is in the shed.
