President's Report: Mike Wallace

Club yearbook is online. Past yearbooks are also available to view as well.

South Oyster Bay Field: The field is not being utilized and is costly to maintain with such little usage. Do not want to lose location. Would be great place for developmental to play. Doesn't get as much usage because it does not have lighting. Will move one portable light stand to that location. Town will be contacted regarding usage of the field and possible upgrades.

In addition, recent electrical bills have been higher from South Oyster Bay Field. There was a recent three month spike in usage that is being addressed by board and energy supplier.

Parking at Tudor Road prohibits it's usage as a club field.

Looking to move board meetings from Levittown Hall to The Knights of Columbus, Joseph Barry in Hicksville. Facilities at The Knights of Columbus offer a social space after meetings to help further the community feel of the club.
