President's Report: Mike Wallace: US Soccer has come out with a **PATH TO PLAY ON**. Five Phases to play on. Somewhat Academy driven, but does affect us. We are still at phase 0. Waiting for NY to reach Phase 4. Once NY is at phase 4, soccer will begin phase 0. Phase 1 will allow 1 coach to 9 players to practice on the field, building up to phase 3 which will be full team competition. Allowing several weeks

in between Phases. Looking for someone, possibly with medical background, to help us get back to play safely.

Scholarships have not been announced. Once the High School announces them we will as well. Practice times may shift a bit, ending a few minutes early or starting a few minutes later. Having parents drop off, or stay in cars, or one parent on the field.

Q: Are all sports following these guidelines?

A: No sports can begin until NY is in Phase 4. We are not sure of others sports return to play policy

Q: If there is an out of state tournament, can we go?

A: It would not be an eastern NY tournament, therefore you would not be covered by the insurance.

Q: Can a few of the girls run the track together at the middle school?

A: As long as it is not a TEAM training, it is an individual choice. There has not been an announcement to our knowledge about school fields' openings.
