I sent a email to see if somebody want to practice but nobody contact me

**Registrars Report Christopher Acord:** we have 340 including 79 intramural, storm and barca blue devil have player that still own money if they need to know how much please come to me, note their passes will be held for spring season if they don't pay. That's all I have

**A/R\$2,349.0**

**Intramural Director's Report Stratis Christopher: Absent**

**Vice President's Report: Andy Spathis** fields start getting ready, we coached are not doing a good job on cleaning the park but remember Kolm is our home I understand we are cleaning after somebody else but again remember it is our home.

Line at guesee when will be that done? Because they are not strait

Most us feel like babysitter because parents go and drop the kids, we should be monitoring who is sick and make sure the anxiety do not hit them. I will draft the letter

This is great Kim- have been working on the new schedule to have it full this will work for you

If you sell DD and Starkbuks coffee at \$4 Kcup – you will have a line and that is how you will make the money

**President Mike Wallece :**

Rose Walker- is getting our fence fix and tall fence for the ball not to go over the other houses

The light was on so at least 3 lights are working,

Corona V- we are having to deal with town and lijs change because this virus, the colleges are closing, don't let kids  
Maintenance schedule is every other week (grooming, it's a process) we are hoping this will happen before we start the games.

We are talking to Bryan about providing the training at no cost, but we are charging \$10.00 per practice to make sure people show up.

We are monitoring the news and we will let the club knows.

**Meeting:**

At 07:00- Bryan is asking the club to sponsor him with \$2,000.00 because he is getting a train for coaching will help us.  
He brought us a plan to pay back the \$2,000.00. Kim, Mike and Rob and Andy, Jeannette voted in favor.

Trish: can we get more garbage can?

A: we cannot because the park doesn't allow us

Q: if the school close we will lose the permits?

A: yes, we will because the corona

Q: is the league educating the referee?

Snack shop- we talked about its last meeting today I have my partner Daniela Monco and we need the key to go in and clean, we will see how this goes?

Mike and Rob- we need a budget.

Rob- Ladies, how you are going stuff – A: we will do it no kids.

Good – I will put in contact with P for the soda, we don't have hot water but if this goes well, we can figure out.

We have slots of thing at the store.

Everything what is there is past we need to check everything

Mike coach: the flag boxes what happen?

A: Stratis have not been here.

Q: what about the shed key?

A: we can't give the key because no coach wants to be responsible for it

We understand it's a problem but if nobody wants to be responsible, we can't

Mike- I will go up to Ref and tell him that we won't shake hands

**The most important rule is that if you "See something, say something".**

**Please consider your environmental**

**responsibility.**
