### **Old Business**

None

### **New Business**

New teams are having trouble ordering uniforms from Upper 90 as they are not in the system.

A club member has brought up an issue that the guidelines for the Daly scholarship listed in the club handbook are not being followed in that the scholarships aren't being distributed to one boy and one girl from both public and private schools. Discussion ensues around the fact that the scholarship committee votes each year to set aside that guideline and each year the board approves this and distributes the scholarships. The guidelines that are sent to the HHS call out this provision but, this is not distributed to non-HHS schools.

**Mike Longo makes a motion to distribute \$500 scholarships to non-HHS applicants. Lou seconds, all approve.**

(Committee chair to be contacted to see if there was more than one non—HHS applicant and if so who ranked first. If there is a discrepancy, the full committee will be recalled to discuss.)

Website to be updated with new guidelines that clearly define who the scholarships are to go to.

**Motion to adjourn by Mike Longo at 8:16pm Mike Wallace seconds – all approve**

**Minutes recorded and submitted by Mike Wallace, HASC VP**
