Registrars Report: reported by Christ Rasidakis

As of today we report the registration has increase for the Intramural program as we think is because advertising in Facebook and flyer that we have been doing, we are waiting for developmental information next meeting.

Intramural Director's Report: Chris Rasidakis but Andy Spathis giving the report for today meeting information to all the parents uniforms and answer to most of their questions.

0810pm- This is the last meeting as Intramural Director but I would to introduce Bryan Alcantara Trainer Director which most of you know. I, Andy will be moving to the developmental program and Chris R will take over as the new director.

Andy requested the trainers to introduce themselves to the parents.

Chris R- we would like to heard the parents concerns so we can do it better for the kids, Bryan and I just start talking about few changes as he know more about the training, we would to asks the parents to be more involved the kids activity in the fields.

Vice President's Report: Andy Spathis - Nothing as VP right now.

President's Report: Mike Wallace

7:28pm - Thank you for coming, this meeting.

This meeting is dedicating to Intramural as the season will start next week, we would like more parents to be involved in the program and any questions or concern we would like to know about it.

0800pm - Since the convention we have nothing to reports or club matter only that as Rob mention we just purchased 3 pre-owned lights for Kolm with a total 5 lights, we will have 1 light for S Oyster Bay RD so teams can start practicing and we will be purchasing soccer balls for the intramural division for the fall.

We are discussing to do the same for the coaches for the fall.

We sold 4 old lights at \$500.00 that no longer in service, we think we did good.

Now we moved to intramural program with Andy and Chris.

Next meeting: Bryan Alcantara has propose to get the old kids from club involve in teaching them how train, but they need the 4v4 which the club will have to pay for but the kids have to volunteer 4hrs or more.

The most important rule is that if you "See something, say something".

Please consider your environmental responsibility.
