This included the payment for Bryan (intramural program) the difference this year will be that we won't be paying as many bills as we did last year, we are confident that regardless we are reimbursement to those teams that age out or they want don't want to keep the credit for next season. We will be ok because we do not have to pay for gas or additional services we pay.

**Registrars Report Christopher Acord:** Those that they are not requesting the refund they will be rolling for the next season, basically that all what we have.

**Intramural Director's Report Stratis Christodoulou :** What we ended up doing was Zoom training with coaches training with their group, some of them like it. Bryan was working lots on skills foot touch we had 7 kids, we are doing 3 sessions per week M, W, F. we are giving the same amount training time that they will get regular, they do have option to act out of the program which the credit will roll over next season.

**Rob-** we provided the bags (small ball, cones,) this was not an extra expense, we did this because it won't be a June BBQ and make the program more fun.

**Vice President's Report: Andy –** is somebody is not asking for the refund will roll for the next season?

Mike- Yes it will unless they are taking zoom training classes with Bryan.

I don't have nothing to report, but I am curious what are we doing for try outs

Q: but do we have a plan? How are we going to this or we are just going to do nothing?

A: Mike- Well we need to wait; we cannot jump to anything without any information in our hands.

A: Kim- Andy I know LIJS is extremely strict with their registration and this will be a different date

A: Mike – I do not see that happening Kim LIJS making you come in July they might have only services and Andy if they open the field Kim will be taking Field time and coordinating for us work this everything.

A: Rob- the oldest team is not a problem it will be the younger ones

Andy – I agreed but LIJS is not telling us anything and I do not want this to cut up with us

Mike- Andy if they open September you can hold tryout and add kids to your teams

We are committing not cutting kids unless you lost kids you can hold your tryouts.

Rob- You can add kids to your team, if LIJS is doing normally
