Registrars Report: Lou Deturris

Lou Will open up the registration site on December 1st and update the pricing. We will send a flyer in late January about the Spring season. Discussion was had about late fees which has become a bit of a problem with teams adding players for the late Fall season. Fees have thus far largely been waived, we will need to publicize the date for when late fees will be charged.

Intramural Director's Report: Andy Spathis

Fall season will end next Sunday. Bryan and Andy will be distributing a survey to the participants for an evaluation. Andy will be inviting the intramural population to the December meeting to provide feedback on the program to the board. The Winter Festival will be held on either February 12th or March 5th. Mike Wallace will work on the necessary permits. We are going to use the Winter Festival as a club photo day and invite all travel teams to participate. Lou sent out a flyer regarding a photography company, he will ask them to attend the December meeting
